

Lawsuit Filed By CPM Against Fraudulent Puppy Traffickers Who Sold Sick Dogs via Craigslist

12.16.2019

Animal Legal Defense Fund and CPM seek to hold Kenney family accountable for defrauding customers and harming dogs in violation of California law

“These defendants are selling diseased puppies. Worse yet, they grab the cash and then lurk behind the internet, leaving the innocent puppies to die a painful death. No child should have to watch their puppy die. Our lawsuit says ‘Time is up’ on this scam,”
