

Financial Elder Abuse

Niall McCarthy and Eric Buescher

Inside the Minds: Elder Law Client Strategies in California

09.03.2014

Niall McCarthy and Eric Buescher recently published a chapter titled “Fighting Financial Elder Abuse in California” for the Thomson Reuters / Astapore Books publication, “Inside the Minds: Elder Law Client Strategies in California.” The chapter describes the current state of financial elder abuse law in California and discusses strategies for plaintiffs to successfully prosecute civil financial elder abuse cases in a variety of contexts. Visit our blog to read an excerpt of the chapter.
