

# Labor Union Representation

---

As a longtime supporter of labor unions and the right of employees to organize, CPM has experience in representing labor unions and the workers they represent in complex litigation, arbitrations, and proceedings before the National Labor Relations Board (“NLRB”).

Additionally, labor union Taft-Hartley pension funds as well as health & welfare funds are often affected by fraud in the financial markets or overpayment for pharmaceuticals as a result of anticompetitive schemes. CPM has experience representing pension and health & welfare funds to recover money that rightfully belongs to the funds and their beneficiaries.

If you are a labor union, pension fund or health & welfare fund looking for representation, please follow up with Adam Zapala.
