

Deciphering the FTAIA

Recent Developments in the Application of U.S. Antitrust Laws to Foreign Trade

Robins, Kaplan, Miller & Ciresi LLP (New York Office)

09.18.2014

Practice Areas

Antitrust & Global Competition

Steven Williams will be speaking at this event.

The presentation will begin with a short primer on the Foreign Trade Antitrust Improvement Act ("FTAIA") for the uninitiated and then review recent developments in FTAIA case law focusing on three recent decisions coming from the Second, Seventh and Ninth Circuits and what they portend for the future.
