Cotchett, Pitre & McCarthy was awarded the “Living the Dream Partner Award” by the Lawyers’ Committee for Civil Rights of the San Francisco Bay Area. The award, which honors those who have made extraordinary contributions to the group, was presented at the 19th Annual Dr. Martin Luther King Jr. Luncheon. The Lawyers’ Committee is dedicated to supporting the rights of minority and low-income individuals by offering free legal assistance in civil matters and by litigating cases that have the potential of improving the lives of people often ignored by the legal system.
