

CPM Partner Fineman Elected President of Community Outreach Group

Nancy L. Fineman of Cotchett, Pitre & McCarthy has been elected the 2008 president of The Christian Action Life Line ("CALL") Primrose Center, an emergency referral and food bank facility in Burlingame. Fineman has been associated with the group as a volunteer and Council member for more than eight years. The center is a joint venture of the First Presbyterian Church and the United Methodist Church, both of Burlingame, and is supported by the San Mateo County community. Launched in 1983 as a telephone information and referral service, the center became a drop-in location in 1984. Since then, thousands of people in need have visited the non-profit center.
