Congratulations to Cotchett, Pitre & McCarthy for being selected by The Trial Lawyer as one of America's Most Influential Law Firms (The Forum 2015). Each year, The Trial Lawyer magazine seeks to identify U.S. law firms which have shaped the legal profession through leadership, innovation, and success in the practice of civil plaintiff law. Nominations are accepted from readership and each law firm is evaluated for their professional achievements, trial results and effective impact in the legal community.
