

# CPM's fight for water for the citizens of Weed California, featured in UK documentary

---

04.17.2018

Episode Four of the Fusion TV series Food-Exposed follows the dispute between the City of Weed, California and lumber company Roseburg Forest Products over Mount Shasta's pristine gravity fed waters, Beaghan Springs, which has been the City's primary water source for more than a century. The film highlights the efforts of citizens and CPM attorney Brian Danitz who is fighting this battle in court.
